**Re: In re Fisher-Price Rock 'n Play Sleeper Marketing, Sales Practices, and
Products Liability Litigation**

Case No. 1:19-md-2903 (WDNY)

Dear Counsel:

The Court stated in the December 23, 2019 Order on Discovery (ECF 30, the “Order”) that it “anticipates that the parties will move expeditiously to complete the ESI Search term discussion and complete class certification discovery....”

We previously sent you Plaintiffs’ proposed search terms on November 8th; a copy of that correspondence is enclosed for convenience. As an initial matter, we believe that Plaintiffs’ proposed search terms 1, 2, 4, 6 - 9, 15, 20, 29, 30, 33 and 44 directly bear on matters relevant to class certification and in particular on Defendants’ “marketing materials” as that term is used by the Court on page 6 of the Order. Plaintiffs will provide defendants with supplemental search terms based on our continuing review of Defendants’ document production. Please provide us with the methodology and/or search terms that Defendants have used or propose to use to identify such “marketing materials” and other documents relevant to class certification, as well as the identities of the custodians whose records have been or will be searched for such documents by Friday, January 3rd.

December 30, 2019

Page 2

Notwithstanding the foregoing, we believe that it is incumbent on Defendants to produce the documents set forth on pages 8-9 of the Order regardless of what specific search terms are used. Please confirm by January 3rd that you will do so.

Very truly yours,

Case No. 1:19-md-2903 (WDNY)

Dear Counsel:

We have not received a response to our letter of November 1, 2019 requesting to meet and confer in advance of the Court-ordered initial meeting to exchange ESI terms on November 11th. Nevertheless, enclosed are plaintiffs' proposed search terms and list of custodians so that we may have a productive discussion.

Nor have we received a response to our request for your availability on November 11th. We are available to meet and confer between noon and 4 PM Eastern time on that date. Please let us know when you would like to do so.

Finally, we have not received a response to our letter of October 25, 2019 requesting Defendants' compliance with the Court's order requiring production of all documents and communications with the CPSC and Defendants' obligation to disclose insurance information under Rule 26(a)(1)(A)(iv). Nor have we received a response to our letter of November 1, 2019 requesting Defendants supplement their initial production with attachments to their e-mail communications with the CPSC, the enclosures referenced in document Bates stamped FSHR0005787, and an updated load file containing the missing metadata for Defendants' correspondence with the CPSC as required under the ESI Plan (ECF 16).
